Wednesday, August 19, 2015

9:00am - 3:00pm

## CT Trash Museum Hartford, CT

**Join one of our exploration teams as we experience the life of trash and the ways we are working today to create a more sustainable planet. Hands-on workshops, activities and adventures.**

- ★ **Turn your trash to treasure by becoming a recyclable artist.**
- ★ **Enter the Temple of Trash and take a journey to discover how the things you throw away get a second life.**
- ★ **See a real life single stream recycling plant in action.**
- ★ **Create your very own recycling story using LEGO's.**
- ★ **Design and test a windmill to learn more about ways we can create energy through the power of nature.**
- ★ **Hunt for clues in the "Trash Through Time" scavenger hunt.**
- ★ **Visit the gift shop and much more.**

**Open to anyone 10 years and older  
(Must be a registered participant to enter the museum)  
Lunch available (Pizza, salad, drink and dessert)**
