## Join Us in Honoring

### State Representative Jeffrey Berger Legislative Leadership Award

For his leadership and commitment to ensuring Connecticut's children and families thrive. As House Chair of the Finance Committee, Representative Berger safeguarded at-risk funding for children and families in the final state budget. His work helped thousands of children and families maintain essential services to help them prosper.

### Ashley Chevrette Youth Voice Award

For her extraordinary grace, her dedication to using her personal story, as a foster youth, as a springboard for policy and advocacy, and her commitment to Connecticut's most vulnerable children and youth. Her work to bring awareness to foster care and foster youth services helped to advance policies that provide foster youth with stability and hope for the future.
