

The Schoharie County Information Technology and Services Department
is seeking candidates for a

SYSTEMS & NETWORK PROGRAMMER/ANALYST

CSEA Grade 19 Salary: \$51,632

This will be a provisional appointment; permanent appointment will be contingent upon successful completion of a civil service examination and becoming reachable on the resulting eligible list.

MINIMUM QUALIFICATIONS:

(A) Graduation from a regionally accredited or New York State registered college or university with a bachelor's degree in computer science, electronic data processing or a closely related field and two (2) years of experience in computer programming and systems analysis including design and implementation of computer systems, feasibility studies, program testing, and post installation follow-up; **OR**

(B) Completion of sixty (60) college semester credit hours from a regionally accredited or New York State registered college or university, including at least fifteen (15) credit hours of computer science or electronic data processing and four (4) years of experience as specified in (A).

NOTE: Part-time employment can be pro-rated to count toward full-time (based on number of hours worked per week) and a higher level of education can be pro-rated for experience up to a year.

**Please submit a Schoharie County Employment Application
by the close of business on March 7, 2016 to the
Schoharie County Personnel Office
PO Box 675 / 284 Main Street
Schoharie, NY 12157**

*(Employment Applications may be obtained in the Personnel Office or on-line at
www.schohariecounty-ny.gov, follow the "Exam Announcements & Job Openings" on the main page)*
