**2017 Current Developments in Mathematics
Conference
November 17-18, 2017**

Harvard University Science Center
One Oxford Street
Cambridge MA 02139

Limited funding to help defray travel expenses is available for graduate students and recent PhDs in mathematics.

If you are a graduate student or postdoc and would like to apply for support, please send the following to cdm@math.harvard.edu with **CDM SUPPORT** in the title of the message.

POSTDOCS: A letter indicating your name, address, current status, university affiliation, citizenship, and area of study. F1 visa holders are eligible to apply for support.

GRADUATE STUDENTS: Please send a brief letter of recommendation from a faculty member to explain the relevance of the conference to your studies or research.
