

# UConn 4-H UPCYCLE CHALLENGE

## TAKE THE CHALLENGE

1

Upcycling is the process of taking a used item and repurposing it to fill a new and often better function. Take a household item of your choice and turn it into something with a different use or purpose. Use your imagination.

2

Take 2 photos - the first being the original item and the second being your upcycled creation. Explain a bit about your creation and it's new function.

3

Upload your photos and explanation to the UConn 4-H Instagram page (@uconn4h) by Friday, April 17th. Be sure to attach #uconn4hupcyclechallenge. Prize winners will be selected from tagged photo submissions.

## WIN

All participants will receive a printable certificate and be entered to win a UConn 4-H prize pack.  
1 entry per 4-H member.

This contest is open to all UConn 4-H members ages 5-19 years old.

For questions or additional contest information email: [marc.cournoyer@uconn.edu](mailto:marc.cournoyer@uconn.edu)
