

National 4-H Virtual Conference Opportunities

Building Skills. Creating Memories. Making Friends.

The 4-H National Youth Summit Series brings together high school students for three days of hands-on activities and workshops, led by leaders and educators in these fields. For 2021, these events will be held virtually.

- Register and attend in small groups or as an individual
- Work alongside students and experts with shared interests
- Learn and strengthen technical and leadership skills
- Earn accreditation to feature on college or job applications

National 4-H Summit for Health Living, February 13 – 15, 2021

- The National 4-H Summit on Healthy Living will be virtual. High school students develop the knowledge and skills to address issues surrounding nutrition, physical fitness, wellness, and emotional well-being. Working alongside professionals in family consumer science and healthy living, students will create action plans they can implement in their communities to teach other youth about what they have learned. The number of hours per day will last no more than 4-5 hours on any one day.
- Cost is \$75 per youth or adult
- Registration will be open in January, 2021
- There will be seven tracks which participants will stay in for the three workshop sessions:
 - ✦ Food Insecurity
 - ✦ Health Equity
 - ✦ Physical Fitness
 - ✦ Substance Abuse
 - ✦ Nutrition
 - ✦ Mental Health
 - ✦ Adult Track for professional development

National 4-H Summit for Agri-Science, March 5-7, 2021

- The National 4-H Summit on Agri-Science will be virtual and will immerse high school students from across the country, grades 9 through 12, in an agenda focused on agriculture, food security, and sustainability topics while also getting the chance to learn more about careers in agri-science and develop action plans to impact their community. The number of hours per day will last no more than approximately 4-5 hours on any one day.
- Cost is \$75 per youth or adult
- Registration will be open in January, 2021
- There will be seven tracks which participants will stay in for the three workshop sessions:
 - ✦ Ag Literacy/Advocacy
 - ✦ Ag Technology
 - ✦ Animal Science
 - ✦ Environmental Science
 - ✦ Food Science
 - ✦ Food Security and Equity
 - ✦ Plant Science
